REVIEW:

'Bruce Almighty' sacrilegious or sacred story?

By Eddie Hilburn

Some of my friends saw the previews of the movie "Bruce Almighty" and immediately said, "Sacrilegious." I thought it would be interesting to see the movie and find out how popular culture depicts God. Just the idea of God portrayed by a black man—Morgan Freeman—intrigued me.

Before seeing the movie, I did a little research on the people involved in making the movie.
