Houston pastor put on two-month leave after misconduct allegations

HOUSTON (BP)-The longtime pastor of a prominent Houston church has been given a two-month paid leave of absence from the pulpit following allegations he sexually assaulted a 37-year-old man.

The action to suspend Brentwood Baptist Church Pastor Joe Ratliff was taken Oct. 27 during a regularly scheduled business meeting. About 5,000 people attend the church every Sunday morning.

During the next two months, Ratliff will continue his administrative duties while other staff members provide ministerial leadership, according to a statement from the church. He will return to the pulpit Dec. 31.

Russian orphans ready for adoption

Several children living in Russian orphanages are available for adoption by Christian families and singles through Buckner International Adoption Services. Among them are the children shown here, who recently were identified as adoptable by Russian authorities.

While Russian orphan children are identified as candidates for adoption, there is no guarantee that a specific child will remain available to Buckner for adoption for long.

Debbie Wynne, clinical director for Buckner International Adoption Services in Dallas, said adoption through Buckner is the result of "a positive relationship we have developed because of our humanitarian work in Russia. They know our heart for children."

SBTC elects Osborne president and marks fifth anniversary in Corpus

CORPUS CHRISTI (BP)-Chris Osborne, pastor of Central Baptist Church of Bryan, was elected president of the Southern Baptists of Texas Convention during the convention's fifth annual meeting.

A total of 831 messengers registered for the convention, representing 338 of the SBTC's 1,371 uniquely or dually affiliated congregations. The SBTC formed as a breakaway from the Baptist General Convention of Texas by a group desiring to be more closely aligned with the Southern Baptist Convention.

Osborne was nominated by Gil Lane, pastor of Paramount Baptist Church in Amarillo. Osborne, who served as Pastors' Conference president this year, succeeds George Harris, retired pastor of Castle Hills First Baptist Church in San Antonio.

TOGETHER: Advance the kingdom of heaven

Clearly the theme of the kingdom of God was central to Jesus' gospel message: "Jesus went into Galilee, proclaiming the good news of God. 'The time has come,' he said. 'The kingdom of God is near. Repent and believe the good news'" (Mark 1:14-15).

Perhaps you have heard your pastor say, "We must be about kingdom business," as you were urged on to a vision that was not centered on just what was good for your local church.

Can we be concrete about what the kingdom of God is? Note what any kingdom anywhere is. A kingdom is a territory that is under the rule of a

king. The kingdom operates where the king's rule is respected, his name is honored, his laws obeyed and his taxes paid. The lines on a map may say that an area of land is in the kingdom, but if in that province no one takes the word of the king seriously, then it is part of the kingdom in name, but not in reality.
