[Baptists Preaching](#) is [a column](#) from the Baptist Standard. It is not an effort to advance any one theology or style but to present what a collection of Baptists considers a word from God. Likewise, Baptists Preaching offers a repository of Baptist preaching for future study and research. ## Michael Holster: Don't Be a Loser (Galatians 5:1-12)

Michael Holster, pastor of [Second Baptist Church](#) in Levelland, opened with examples of moments when people felt like losers. He exhorted his hearers not to be losers, but to be winners in Jesus—which is not to be understood as a “name it and claim it” prosperity gospel. Paul’s instructions to the church in Galatia provide the right guidance.

Slavery to sin is a losing proposition. Those who find freedom in Christ will be winners; they must stand firm in the freedom of Christ. Likewise, to win, people must listen to and live in the truth; they must not listen to false teachers, who say a person loses everything who trusts only in Jesus.

Without Jesus, a person is a loser, Holster contended. With Jesus, a person is free.

This sermon was delivered June 27, 2021, for the morning worship service of Second Baptist Church in Levelland.
