

Around the State: Nursing camp at UMHB; prayer breakfast at Baylor

July 3, 2018

The Scott & White College of Nursing at the University of Mary Hardin-Baylor welcomed high school students to campus for a weeklong camp that offered a look at the nursing school and college life at UMHB. Before they were accepted to the program, junior and senior high school students submitted essays explaining why they wanted to participate in Explore Cru Nursing Summer Camp. During camp, they were introduced to core concepts of nursing through classroom lectures, discussions and simulations in the Isabelle Rutherford Meyer Nursing Education Center, as well as the spiritual and educational environment at UMHB.

Linda Livingstone, president of Baylor University, has invited senior pastors and other faith leaders from throughout Central Texas to a community prayer breakfast July 11 on the Baylor campus. The event will bring together faith leaders to pray collectively for students, teachers, faculty and families as communities prepare for the upcoming school year. A continental breakfast will begin at 7 a.m. in the Paul and Katy Piper Great Hall at Truett Theological Seminary, followed by the prayer service from 7:30 to 8:30 a.m. in the Powell Chapel. Livingstone will lead the devotional. Individuals interested in attending are encouraged to RSVP by contacting Heather Gerber at (254) 710-3386 or by email at eventreply@baylor.edu.
