Baylor University appointed civil rights historian **Felipe Hinojosa** as the inaugural Jackson Family Chair for Baylor in Latin America, expanding Baylor's international footprint and providing additional leadership to advance the priorities of the Baylor in Latin America initiative. Hinojosa comes to Baylor from Texas A&M University, where he serves as professor of history, assistant provost for Hispanic Serving Institution initiatives and director for the Carlos H. Cantu Hispanic Education & Opportunity Endowment. His appointment as the Jackson Family Chair is effective Aug. 1. Born and raised in Brownsville, Hinojosa earned an undergraduate degree in English from Fresno Pacific University, a master's degree in history from the University of Texas Pan American and his Ph.D. from the University of Houston in 2009. He joined the faculty at Texas A&M in 2009. The Jackson Family Chair was established through a \$1.5 million gift from **John and Nancy Jackson** as part of Baylor's Give Light Campaign's Foster Academic Challenge matching grant program.

Researchers in Baylor University's Diana R. Garland School of Social Work have been awarded a significant federal grant to bolster mental health services to school children by preparing licensed mental health providers

for work in schools. The Department of Education awarded the project, Partnering for Heart of Texas Mental Health, more than \$2.5 million in funding over a five-year period. The funds provide for internship positions, training and certificate program development and Spanish-language training. **Carrie Arroyo**, senior lecturer of social work at Baylor, serves as the project's principal investigator and is joined on the grant by **Mary Zane Nelson**, co-principal investigator and project director, and **Stephanie Boddie**, project evaluator and associate professor of church and community ministries.
