

TBM seeks funds to feed mothers and their children in Kenya

April 5, 2017

National Woman's Missionary Union has asked Texas Baptist Men to help provide food for 350 World Crafts artisans and their families in Kenya who are experiencing drought and famine.

WMU will pay for 20 tanker trucks filled with water through the Pure Water Pure Love program. However, the missions organization needs help to provide food to the Kenyan mothers and their children.

Funds will benefit women employed by Mother Care Handcrafts in Kenya, one of the artisan groups associated with WMU's World Crafts fair-trade program. For more information, click [here](#).

To contribute, send checks designated "Kenya Food Relief" to Texas Baptist Men, 5351 Catron, Dallas, TX 75227.
