

# Letter: Commentary: What is centrist?

June 7, 2023

## **RE: Commentary: What is centrist?**

Leading as a centrist? Why saddle a brother or sister with a disabling label? Are labels a cop-out from theological integrity and courage? I think they could be utilized in such a manner.

Ask me what I believe about, and I will tell you. My “yes” will be “yes,” and my “no,” “no.”
