RE: Condemnation of Pride Month

America celebrates LGBT Pride Month. The president, Congress, courts, corporations, schools, military, news media, medicine, sports, libraries, entertainment—even churches unite to promote LGBT pride.

Pride always is condemned as great sin in the Bible (Proverbs 6:16, 16:5). LGBT pride consists of four “abominations” God abhors and hates: (1) the act of sodomy (Leviticus 18:22), (2) male/female cross-dressers (Deuteronomy 22:5), (3) those who justify wicked people and condemn the just (Proverbs 17:15), (4) the proud (see above).

Throughout the Bible, the righteous and “thrice-Holy Lord God Almighty” pronounces LGBT people “wicked and sinners before the LORD exceedingly”—Genesis 13:13; 19:1-11; Leviticus 18:22; Deuteronomy 22:5; Judges 19, 20; Hosea 9:9; Romans 1:24-27; 1 Corinthians 6:9-10; 1 Timothy 1:9-10; Jude 1:7; Revelation 4:8; 21:2, 27; and elsewhere.

LGBT pride constantly stirs up strife in America. LGBT people force their evil upon all who refuse to be a party to it—Christian bakers, florists, athletes, employees, doctors and others. Any opposition to LGBT wickedness, even in protecting the youngest children, is attacked, condemned, boycotted, silenced and punished—Florida’s school law prohibiting LGBT indoctrination in kindergarten through third grade, Florida’s governor and Disney.

The Bible warns the national acceptance of sodomy “defiles nations” and “cries greatly” to God for their destruction (Genesis 18:20; 19:13; Leviticus 18:22-29; Jeremiah 5:28-29; Ezekiel 16:50).

Today America proudly commits even greater wickedness than Sodom did. God “destroyed” Sodom in his wrath for the very same sin America has legitimized as the law of the land and glories in today with great pride.
