## **RE: [Voices: Serious problems revealed by the ERLC Task Force report](#)**

I want to give a hearty “Amen” to Jamey Yadon’s article about the ERLC report and the troubling aspects of it. It reveals with great insight some deep spiritual issues in our national convention related to partisan politics.

I have served on the advisory board of the Ethics & Religious Liberty Commission in the past, and I have great admiration for their work and for Russell Moore’s courage and candor. I truly believe his is a much-needed prophetic voice among Southern Baptists and other evangelicals who have lost their way related to political power.

Thank you for being bold enough to publish this very honest and accurate assessment.
