

Letters: Don't ban Confederate flag

July 13, 2015

Don't ban Confederate flag

If I'm not mistaken, people can ban the Confederate flag in public places, but they won't ban the rainbow flag. I find that interesting, since the rainbow flag is just as offensive to certain people.

If you're going to ban one flag, why not ban the other? Or better yet, why don't we all just leave the Confederate flag alone?
