

Letters: Patterson opens the door

June 13, 2014

Patterson opens the door

Having read [“Muslim seminarian shows ideology trumps theology,”](#) I’m wondering if a Mormon man or Jehovah’s witness man will receive the same benefit? Perhaps, but will there be an opening for a Christ-following Baptist woman to be given a the honor of being ordained in the church?

I believe Paige Patterson just opened that door, whether he realizes it or not.
