# **EDITORIAL: Why can't we all disagree agreeably?**

May 23, 2008

Theoretically, people should be able to express different opinions and still get along. In practice, however, cordial disagreement is the exception rather than the rule.

# **RIGHT or WRONG? Prudence vs Passion**

May 23, 2008

I've been told I just need the courage to act on my principles. My response is that sometimes prudence should be the driving force for doing the ethical thing. How can we balance these virtues?

## **RIGHT or WRONG? Guided by the Ten Commandments**

May 23, 2008

**We just don't hear about the Ten Commandments anymore. They carry the essence of the law of our land and guidelines for all of life. I'm embarrassed that our preachers apparently aren't preaching the Ten Commandments. Lots of morality issues would be settled if they did, don't you think?**
