

Columns from BGCT Leaders

February 14, 2014

The primary purpose of “Texas Baptist Voices” is simple: We hope to strengthen the bonds that unite Texas Baptists.

These columns enable leaders to communicate with the members of their affinity groups. This will help members know more about the work and ministry of their group. These columns also enable Texas Baptists to learn more about the affinity groups, the work they do and the issues important to them. By bringing them into the *Standard* and onto our website, it will help us all learn more about the overall scope of the BGCT and its myriad churches and ministries.

“Texas Baptist Voices” columns are included each week in the *Baptist Standard*. Subscribe for just \$10 per year to have the *Standard* delivered to your email.
